OFFICE OF LEGISLATIVE COUNSEL

Friday - 5 June 1970

25X1 1. [redacted] - JGO) Met with Mr. John Reddan, Counsel, House Armed Services Committee, concerning the My Lai Investigation Subcommittee hearings for next week. See Memorandum for the Record.

25X1 2. [redacted] JGO) Met with Bun Bray, Associate Staff Director, House Post Office and Civil Service Committee, concerning S. 782. In part Mr. Bray told me off-the-record that the procedure to be followed as he would understand it at this time will be the convening of the Committee in executive session upon receipt of the responses to the Chairman's letters to Department of Defense, Civil Service, and CIA; a review of those responses with the Committee; and mark up of the bill. He has no question at this time but that such exemption as may be requested by the Agency in the Agency's response to the Chairman's letter will be granted by the Committee. Action on the bill will therefore be by vote of the Committee. Other than the executive meeting of the Committee, no hearings will be held on the bill.

25X1 3. [redacted] - JGO) Met with Mr. Dan Manelli, House Committee on Interstate and Foreign Commerce staff. Mr. Manelli indicated that he has been unable to get in contact with 25X1 [redacted] Consideration is being given to going to press with the Committee report without talking to him. Mr. Manelli also indicated that one item of testimony before the Committee suggests 25X1 that [redacted] served with OSS [redacted] during 25X1 World War II, and asked if we could check it for him.
